Signature:

Bo Berglöf

Additional information (if necessary)

WT44 is identical to WT36 except larger dimensions of enclosure and weight.

WT48 is identical to WT44 except software variation for scanning of larger paper sheets up to 48 inches.

WT36DS is identical to WT36 except there are double camera units in WT36DS. And WT36DS is powered by two external 24 V power supplies, same model as for WT36 / WT44 / WT48.

The stars in the type designation stands for software variations of the scanner, for example colour mode or scan speed. All the electrical and mechanical remains the same, except the dimensions.

National differences checked:

E DIN EN 62368-1-100 (VDE 0868-1-100):2014-09, CENELEC modifications are included.

This certificate replaces the certificate SE-78417, dated 26 January 2015.

A new certificate is issued due to addition of new models.
