

Bookeye becomes BookTEK
New name, proven technology remains!

Wuppertal, Germany – April 1, 2025

Image Access, the global market leader in the development and sale of innovative large format scanners and digitization solutions is advancing its product portfolio. As of April 1, 2025 Bookeye will be rebranded to BookTEK.

BookTEK®

The new name „BookTEK“ stands for the high-precision technology that not only delivers detailed images, but also focuses on the preservation of valuable assets. The new name will emphasize the importance of technology and innovation which has resulted in the development of the impressive line of book scanners.

The new brand name **BookTEK®** is registered in more than 50 countries and was chosen to show the similarity of the technology to our **WideTEK®** scanner line. Innovation and technological expertise that is build on 25 years of experience with **Bookeye** will continue to grow under the **BookTEK** brand.

With **WideTEK** and **BookTEK** scanners , the Wuppertal-based scanner manufacturer offers the most comprehensive portfolio in the industry. **BookTEK** offers tailored solutions for libraries, archives and collections that focus on excellent quality, user-friendliness and the protection of their collections.

Let's shape the future of book digitization together – precisely, efficiently and sustainable.
